

New Partnership Announcement Template

[Company Name] Becomes a Partner in EPA's Natural Gas STAR Program

[Company name] is proud to announce our new partnership with the U.S. Environmental Protection Agency's Natural Gas STAR Program. This voluntary program encourages companies to adopt cost-effective technologies and practices that improve operational efficiency and reduce emissions of methane.

Natural Gas STAR is an excellent example of industry and government working together to solve environmental challenges. We should do our part to minimize our methane emissions and protect the environment.

Natural Gas STAR has more than 110 partner companies and is endorsed by 11 major industry trade associations. As a Natural Gas STAR partner, [Company name] will work to improve our bottom

line: reducing methane emissions helps to lower operational costs and increase revenue by getting more natural gas to market. [Insert quote from Company Spokesperson, such as the following:

"Our involvement in Natural Gas STAR will keep us up-to-date on the latest technologies and the most cost-effective approaches to minimizing

or preventing leaks and losses of natural gas. Whenever feasible, we will adopt these approaches as integral parts of our operations."]

More information about this and our other environmental programs can be found at www.xxxxxx.com/xxxxxx. For more information about Natural Gas STAR, visit the Program's Web site at www.epa.gov/gasstar.
